WELCOME TO ELAINE BANFIELD'S E-LESSON PROGRAM

Congratulations on joining the e-lesson program. My hope is to help you, as best I can, to learn to further your riding enjoyment and skills with my home schooling approach.

All you need to do is fill in the information, sign this agreement and send it with your cheque for ten lessons (\$350.00 plus gst of \$17.50 for a total of \$367.50).

Then we begin:

Tape and send a DVD or YouTube clip of approximately 2 to 7 minutes showing a typical ride, or any specific areas of concern that you would like to address. This is sufficient footage for me to supply you with many ideas and directives.

I will then email you with suggestions and exercises to work on till you send another taped segment.

You can send as often as once a week if you like or space them out at your discretion.

The ten lesson agreement is good for one year and is non-refundable. It is up to you to use your full program. Just like going to the gym, if we make a commitment we are more likely to make ourselves work on the program and therefore reap the benefits.

Please fill in:

Your Name: _____ The date program begins: _____
(upon receipt of payment)

Address: _____ Email Address: _____

I understand and agree to the terms of this program. In that it is set up as a "self help training system", I take ownership of the responsibility for the accomplishment of the tasks emailed to me, to the best of my ability. If for any reason I decide not to fulfil my responsibility for sending the complete ten taped segments of my rides (within one year of signing up for the program) I fully understand that I am not entitled to and therefore will not make any demands for a refund of the program fee.

I am also fully aware of the inherent risks in horseback riding, and am engaging in this program at my own risk.
